MARY ELIZABETH MATERNITY HOME DONATION GUIDELINES

Items donated by the Hays and surrounding communities make it possible for Mary Elizabeth Maternity Home to provide all the basic needs for our residents and their babies. We are very appreciative of the items we receive and are grateful for all the support the citizens of Hays and the surrounding communities provide our ministry.

As you prepare your donation for Mary Elizabeth Maternity Home, please keep the following guidelines in mind:

1. All items should be clean and in good repair. Clothing should be freshly laundered and should not be stained or torn. We accept all sizes of baby clothes.
2. We cannot distribute used car seats. New car seats for infants are welcome.
3. Cribs must be in good condition, no broken or missing pieces, and must meet federal guidelines. Slats should be no less than 2 and 5/8 inches apart (a soda can should not fit through them). At this time we do not need bassinets.
4. Because baby walkers are no longer recommended, we cannot accept them. Baby swing frames cannot be any taller than 43 inches, due to safety reasons.
5. We cannot accept used bottles, nipples, pacifiers, teething rings or baby spoons.
6. All hygiene products should be new. We cannot distribute hygiene items that have been opened or used, regardless of the amount remaining. This includes shampoo, conditioner, body wash, deodorant, razors, soap and make-up.
7. Due to limited space, we may not be able to use all items that are donated to us. Mary Elizabeth Maternity Home reserves the right to forward overstocked items to other similar charitable agencies.

Dear Family & Friends of Mary Elizabeth Maternity Home,

It's hard to believe we are already half way through 2014. As each resident comes and leaves Mary Elizabeth Maternity Home, I pray that what they were taught during their stay will continue on with them wherever they go. All the staff here truly love these young ladies and we strive to make their stay here effective.

We are so blessed and thankful for the many individuals that help support Mary Elizabeth through donations. Without these people and organizations, Mary Elizabeth Maternity Home would not be here. So a big thank you to all of you who have supported the home financially and spiritually. We are looking forward to the rest of the year.

God bless you all and thank you again for your support. Please continue to pray for us here as we strive to make an impact in each life that walks through our doors.

Blessings,
Christin Nunnery
Executive Director
